FIFTEEN CENTS

All about town ...

Love is the Beauty of Christmas

By LINDA WALKER

Here's some last-minute gift suggestions that everyone can afford this Christmas.

Love,
Patience,
Cooperation,
Silence,
Compassion,
Tolerance,
Encouragement,
Gratitude,
Forgiveness,
Helpfulness,
Faith.

All these were given to us nearly two thousand years ago. They are strange and wonderful, because the only way we are allowed to keep them is to constantly give them to others.

To all our Friends and Customers, a joyous Christmas and very Happy New Year.

'Mini-Mall' planned on northside of town

Plans to build a "mini-mall" on the southeast corner of North Ave. and Main St. have been announced by Albert Sodman, who owns a Citgo gasoline station on that corner.

"The mall is to be constructed in three phases," he said. "The first phase is nearing completion and is 100 percent leased out. The second phase is planned to start in the spring."

Sodman said the mall will include spaces, from 1,100 to 2,500 square feet each, for about 10 rental stores or offices.

"The stores will be finished to the tenant's desires, with central heat and air conditioning. There will be parking for about 50 cars," he said.

THE EXISTING GAS station will eventually conform with the motif of the new mall, Sodman said.

Sodman, his wife and three sons are developing the mall. They have operated the gas station there for 20 years.

Two of the sons, Randy and Steve, are planning to open "a convenient-type

grocery store under the name of Foods Unlimited," Sodman said.

NEXT TO THE GROCERY store is planned a ladies boutique called "The Basic Shop," to be operated by Rachael and Darlene Bauer.

A janitorial service will occupy another rental space, Sodman said. It is "Quality Control Maintenance Service," operated by Frank DiMarco and Jim Leahy.

A part of the gas station property facing North Ave. has been rented by Richard Veselsky, who will specialize in washing, waxing and cleaning cars, vans, trucks and campers.

Sodman said this business will be called "Automotive Specialty Service."

Thought for Today

Little Susie, getting ready for bed, interrupted a family gathering in the living room to say, "I'm going to say my prayers now. Anybody want anything?"

Mayor is sure missing gavel will show up

By BEVERLY CARY

A note of mystery!

As the Antioch village board adjourned its final meeting of 1978, Mayor Mike Haley's gavel was missing ...

Has anyone seen it? Trustee Edgar Simonsen offered to make a motion to buy the mayor a new one, but the mayor

declined, saying he is sure it will turn up.

ALSO AT MONDAY evening's meeting of the village board, Mayor Haley made a motion to appoint Wayne Salonen to the planning commission to fill the unexpired term of Tim Osmond. The board agreed to the appointment.

Trustee Vern "Barney" Barnstable made a motion to send patrolman Robert Lange to a two-week juvenile officers' course at the police training institute in Champaign. With five members of the board voting yes, and one absent, the motion carried.

THE BOARD AUTHORIZED the payment to Applied Engineering in the amount of \$718.87 for engineering services on the North Ave. paving and drainage project. Trustee Simonsen moved to purchase a new pipe-tapping machine, which will tap up to two-inch water lines, at a cost not to exceed \$960.

He also moved to authorize village attorney Andrew Lynch to draw up an amendment to the sewer charges ordinance regarding tapping charges. The board agreed to both motions.

Concerning civic activities, trustee Don Amundsen made a motion to hire Jacque Larson to help with the village bowling class for 15 hours at a rate of \$2.10 per hour. The board agreed and the motion was carried.

Stores stay open for last-minute shoppers

Should you be one of the many "last-minute shoppers" with a Christmas list yet to be filled, the following Antioch merchants have agreed to keep their doors open until 9 p.m. on Saturday, Dec. 23:

Antioch Drugs, Antioch True-Value, Barnstables Dept. Store and Left Bank, Ben Franklin Family Center, BJ's Fashions for Men, EJ's Camera, Foremost Liquor, Four Squires, General Store, Hahn Jewelers, King's Drugs, Reeves Walgreen Agency, Stanley's Men's Fashions.

Sequoits improve as season progresses

Before the season began, Antioch High's basketball coach, Roger Andrews, said:

"As our players get game experience, we should be pretty tough."

That promise was kept last weekend when the Sequoits routed Round Lake 76-50 in a Northwest Suburban Conference game and then lost a 66-57 decision to a

highly rated North Chicago team.

MOST MEMBERS of this year's Antioch varsity were reserves last year but Andrews noted in November:

"They're good basketball players. They weren't that bad as juniors. They just happened to be behind a real good senior

group. And they did scrimmage all season against that senior group."

LAST FRIDAY at Round Lake, the Sequoits flashed "sound team defense," according to Andrews, and "balanced scoring, plus strong power on the boards."

Pete Ploss led scorers with 23 points

while Roger Korjenek had 12 and Scott Gallagher 14.

"Dave Gutowski led the team in assists with 11," Andrews pointed out, "and Chris Oddsen played his usual solid game on the inside."

No paper next week,
have a nice
Christmas

By JERRY PFARR

There won't be an issue of the Antioch News next Wednesday, Dec. 27 because traditionally we don't publish between Christmas and New Year's.

We'll be spending that time with our families, and taking a week off.

The Wednesday, Jan. 3 issue will be our next one.

Although the Antioch News has been in existence for 93 years, this is only the fifth Christmas for the present staff. And it's an appropriate time to thank the people of Antioch for the tremendous support and acceptance they've given us since we came here in 1974.

How can we thank you?

Well, in 1979 we'll try to keep improving the Antioch News and extending our service to you folks who have made it possible for us to succeed here.

Deadline for plates extended

Secretary of State Aian J. Dixon extended the deadline for display of the new, multi-year Illinois license plates to midnight, February 28.

Secretaries of State traditionally have granted license display extensions because the calendar-year expiration date of December 31 gets mixed in with the holidays and causes an economic hardship on Illinois motorists.

This is the last time a calendar-year deadline will be extended because the new, multi-year, staggered registration license program installed by Secretary Dixon henceforth will have registrations expiring over nine months of the year, March through November.

Decorate in miniature!

Every female enjoys owning a doll's house. To have a miniature house that she can decorate all on her own, in exactly the way she chooses, is a joy and a pleasure for little girls from six to 60.

Wide variety

And, today, there's a wider variety than ever of miniature furniture and bric-a-brac to choose from. Furnishings are available in styles to suit every taste and pocketbook, just like their life-size counterparts.

Choose from modern or antique designs.

If a roll-top desk is what you're after, you're likely to find one, neatly topped by inkwell and quill pens, with a top that really rolls!

An antique style swivel mirror really swivels, and there are bibelots to go along: ormolu clocks, brass candleabrae, china tea sets, everything and anything you could possibly imagine or desire, and then some!

Happy Holidays

We wish you every joy
and blessing of this happy
Christmas Season!

Good Health Habits Ease Risk to Heart

Heart disease remains the leading cause of death in America today.

Although no single factor will prevent heart disease, good health habits are as favorable to the heart and circulatory system as they are to all body functions.

If you already have some form of heart disease, suitable medical management and good living habits can prolong life and make it more enjoyable.

The American Medical Association offers some suggestions for the healthful living

habits that will reduce the risk of heart disease.

- Understand heart disease, but don't fear it. Know about its causes and how to cope with it.
- Learn your personal health status by periodic medical examinations. Discovered early, heart disease can often be better controlled.
- If you're overweight, take off those extra pounds. Eat less in the hope you will live longer to eat more.
- Exercise regularly. If you

have heart trouble your physician will help you set your activity limits.

- Prevent infectious diseases if possible, and if one should occur, seek treatment promptly.
- Accept life's challenges, come to terms with those things you cannot change, and live your life as though you expect to live forever.

'Take It Easy' Is Snow Shoveling Rule

The winter snows are here again, and millions of householders are faced once more with clearing walks and driveways.

Snow shoveling requires a lot of energy and muscle. Pushing a stalled auto out of a drift is even more demanding.

Once again the American Medical Association reminds men of middle age and beyond, especially those who are overweight and lead sedentary lives, to take it easy in clearing away the snow from walks and drives.

If you're in good health,

snow shoveling actually is good exercise—if you take it easy. This could mean getting up half an hour earlier on the morning

of a fresh snow fall, to allow time for leisurely shoveling, with frequent brief rest periods. The frantic, hurried approach to clearing the drive in an effort to get to work on time most definitely is not good for health.

Most common serious health result of overexertion from snow shoveling is a heart attack. If your heart is sound, it likely won't be damaged. But if you already are prone to a heart attack, the extra exertion can trigger it.

Unless you have had a recent checkup, however, you cannot be certain you aren't a likely candidate for heart trouble. Take it easy. Don't be ashamed to invest in a machine that blows or scrapes aside the snow, with a small engine substituting for muscle power. Or hire the neighborhood lad down the street to shovel your walks.

Snow shoveling can be good for you; if you use common

sense. Exercise and fresh air in the winter are important to maintaining health. Just don't overdo it.

Beautiful decorating begins with focal point of interest

Decorating needs a focal point, a center of interest. Usually, at Christmas time, it's a tree. But it needn't be. It can be a fireplace, a staircase, a clock.

Margot Gunther, ASID, sometimes uses as the focal point of her settings a Howard Miller clock, surrounding a wall, mantle or grandfather

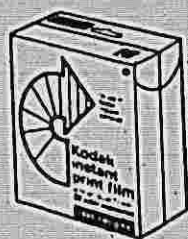

clock with greens and the bright colors of Christmas.

The result? A new holiday decorating idea with old-fashioned charm.

70 YEARS AGO: DECEMBER 18, 1908

Miss Edna Hicks, a student at Lake Forest college was seriously burned when the cotton batting on her Santa Claus costume caught fire from the candles on the tree when she was passing out presents to her friends which were fastened to the tree.

In some sections of Illinois farmers are grubbing their hedges and decreasing the width of the roadway from 66 feet to 44 feet. It is declared that land is too valuable to allow so much of it to be wasted. In early days when land could be bought for a dollar or two an acre, a road did not matter. But land running from \$150 to \$200 an acre is a different matter.

Chas Kelly killed and brought into town a hog that weighed 474 pounds dressed. Charley says that is the kind they raise over the line.

Fate struck at the blind of Lake County last week in the form of a resolution brought before the board of supervisors depriving them of their pensions of \$150 a year.

Wilbur Wright, the American aeroplanist established a new world's record for heavier-than-air machines Friday while trying for the Michelin cup, remaining in the air 1 hour, 53 minutes and 59 seconds. Mr. Wright closed a triumphant day by achieving another record. Flying to a height of 360 feet.

Mr. and Mrs. J. Lynch have moved to rooms over De Vyst's barber shop. Mr. Lynch, with the assistance of S. Knapp, are erecting a blacksmith shop near the stock yards where Mr. Lynch expects to carry on the blacksmith business.

Be sure to attend the Firemen's Ball at the Fox Lake Hotel on Sat. evening, Dec. 19. Tickets \$1 per couple. Supper 50c per plate. Horses taken care of free of charge.

40 YEARS AGO: DECEMBER 22, 1938

A. Walker Perkins, a member of the first Byrd expedition to the Antarctic, will address the Antioch Township High School alumni banquet here Dec. 29.

Christmas Day will hold a deeper personal significance for Mr. and Mrs. Charles F. Barthel than it does for most people, for on that date they will celebrate their 60th wedding anniversary.

Judging of store windows and homes to determine which decorations best exemplify the true Christmas spirit will take place Friday night. A prize of \$10 will be given to each of the winners.

R.E. Clabaugh, principal of the Antioch Grade School and W.C. Petty, Antioch, Lake County superintendent of schools, will be among the delegates to the 85 annual meeting of the Illinois Education Association.

20 YEARS AGO: DECEMBER 18, 1958

Firemen braved icy weather in their futile efforts to save four from a blaze at Wauconda. The action was caught by an Antioch photographer, Tom Steiskal, and one of his photos appeared in Monday's edition of a Chicago newspaper.

If the Antioch village fathers are planning any improvements in the near future a sewer system at Oakwood Knolls should be the first on the agenda.

Cancellations at the Antioch Post Office went over the 29,000 mark for a single day Tuesday but is still shy of the all-time record for Christmas mailing says Postmaster Roy Kufalk.

The hula-hoop is officially dead. That's the opinion of area store owners as they survey the gifts they have for Christmas.

Teddy Roosevelt almost rode roughshod over the Christmas tree in his drive to conserve the nation's forests. But two little boys, his sons Archie and Quentin cared little about presidential edicts - and less about conservation. They smuggled a tree into the White House and set it up in Archie's room. The president relented, and ever since the White House has had an indoor Christmas tree.

Lester Shapiro will be a representative of the Antioch News and will begin this week as exclusive correspondent for Fox Lake Hills. As well as news he will take orders for classified ads, subscriptions, and display ads.

10 YEARS AGO: DECEMBER 19, 1968

Five Antioch youths were named six-weeks leaders in the Waukegan Area Vocational Center courses being conducted at Waukegan High School. They are Joe Torri, Jim Kanable, Dennis DeBoer, Deane Troyer and James Simpson.

Bob Wetoska, offensive tackle for the Chicago Bears will be the speaker at a dinner in honor of the Antioch High School's championship football and cross country teams to be held this Sunday at Lorenz's Smart Country House.

Residents of Antioch Grade School district gave the board of education a Christmas present last Saturday by approving a bond issue for construction of a new middle school building.

BOXES FULL OF GROCERIES and holiday treats were distributed to needy families last weekend by members of the Antioch Masonic

Special mail services offered for holidays

"The usual holiday mail schedule will be in effect on Christmas, Dec. 25, and New Year's Day, Jan. 1," said Postmaster Wayne Van Heirsele.

This means there will be no regular residential or business deliveries, and lobby window services will be closed, Postmaster Van Heirsele explained.

Special Delivery and lockbox service will be available. Last minute mailers also will be able to take advantage of the Postal Service's new Express Mail, which offers guaranteed overnight delivery in more than 1,000 cities across the country.

Letters and parcels weighing up to 70 pounds may be sent by Express Mail from selected post offices as late as Saturday, Dec. 23 for delivery to the addressee's home by Christmas Day.

Further details about Express Mail are available at the post office, or by calling 395-0097.

There will be no collection service on Christmas or New Year's Day. Normal mail service will resume Dec. 26 and Jan. 2.

Original holiday decorations add to merriment!

For a shimmering effect, swag long strips of tinsel at the top of your windows, over whatever curtains or drapes are already there. Add glistening Christmas tree balls and you'll have a picture window that is lovely inside and out.

For a festive indoor window-sill box, fill a long planter with evergreens and tuck bright tinsel flowers thickly through the greens. You might also want to stand this Christmas garden on a long book shelf.

Hang a silver metal lettuce basket in some unexpected corner of your house, filled with large and small balls of colored yarn accented with gleaming Christmas tree balls... all silver would be spectacular!

A simple and sophisticated table centerpiece can be a conversation piece when entertaining. Fill a glass hurricane chimney with cranberries, kumquats or crab apples and top with a tuft of graceful seasonal greenery. Flanked by graceful candles it is a lovely sight. If you're lucky enough to have a mantelpiece, this colorful arrangement will look charming on it as well.

BE WISE: ADVERTISE

The Miracle of Christmas

The merry rejoicing at Christmas, celebrating the Birth of Christ, seeks to recapture the glory and wonder of the Nativity. People everywhere come together in warmth and goodwill, recalling the Source of the Spirit that binds them together.

Although Christmas is celebrated all over the world, it is not really known whether or not Jesus, as a boy, ever had a birthday party. Jews of His time did not celebrate birthdays... such observances were for kings and other important people, who lived in palaces. With or without birthday parties, Jesus had an enchanted childhood, so say the legends.

One such story says He made mud-pie birds one rainy day, and as He finished them, they flew away. For having bowed down to give its fruit to His Holy Mother, Jesus rewarded a palm tree by having a cutting of it planted in Paradise.

The Magic of Christmas is happily contagious, transforming the world in an atmosphere of brotherhood and anticipation. Its magic brings families together, inspires a spirit of generosity and giving, and fills the heart with a heady lightheartedness long remembered from one's childhood.

For it is in childhood that the magic of the Yuletide is felt most keenly. The air quivers with excitement and the promise of things to come. Pungent smells fill the house and little ones can hardly sleep, for listening to the furtive sounds of mom and dad tiptoeing and whispering and wrapping, far into the night.

An old French proverb says "Miracles happen only to those who believe in them." Surely, we can all believe! Surely we can reinforce our faith in miracles!

"Friendship's the wine of life."

ELLIOT HABER, 2107 Old Elm Rd., Lindenhurst, a student at Roosevelt University, has been awarded a scholarship for high academic achievement.

NAVY SEEMAN Recruit Kathleen Friedman, daughter of Richard A. and Alice F. Friedman of Rt. 2, Lake Villa, has completed recruit training at the Naval Training Center, Orlando, Fla.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupation-

al fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

She joined the Navy in October of 1978.

Decorative Idea:

Clear plastic drinking straws and yarn left over from a needlepoint project can be combined to make pretty Christmas tree decorations.

Cut the straws into different lengths and thread brightly colored yarn through them, using your yarn needle. Arrange the straws to form abstract designs or snowflakes and hang them from your tree. Children will enjoy making this type of ornament, too.

IDEAL TREE FOR SMALL APARTMENTS

Apartment dwellers with limited space will welcome the Norfolk Island pine, a natural mini-Christmas tree, that is a charming houseplant all year as well. It requires a little water

about twice a week and flourishes in full sun through the winter. Trimmed with tiny ornaments it is lovely, indeed. To keep the branches from sagging, hang the trimmings in a bit from the branch ends.

The first child to be born in the New England Colonies was Peregrine White, a baby girl born aboard the *Mayflower* in Massachusetts Bay.

Christmas Trees That Keep Memories Alive

When it comes to making Christmas memories that last for years and years, there's nothing quite like a living Christmas tree indoors for the holidays, then outdoors afterwards. The beauty and fragrance of the live evergreen in the home adds a special dimension to the holidays, then moved outside it lives on as an investment that grows.

Some suggestions from the "Green Survival" people in the American Association of Nurserymen can help assure

your pleasure from this year's living Christmas tree.

Plan to keep the tree inside about a week or ten days. Any longer than that and the evergreen begins to think it's spring and starts to make changes that will be harmful when it goes out in the yard.

Keep the root ball quite moist during the indoor time. About a quart of water every couple of days should do it.

Plant the tree as soon as you take it outside. In fact, it's smart to prepare the hole ahead of time to avoid any planting problems the weather might create when the holiday is over. Cover the hole, of course, so nobody will stumble into it in the meantime. The nursery where you select your tree can give you planting advice if you need it.

Historians believe the first marriage between Europeans in the American colonies occurred in 1609, between Anne Burrows and John Laydon in Virginia.

Along the way with ANNIE MAE

IT WAS 80 DEGREES in Florida when "Petey" and Vic Filip dropped us a nice Christmas note.

"Thanks for the paper," they wrote. "We surely enjoy reading the hometown news. Hope your holidays are merry and the New Year prosperous."

Have you noticed? A lot of wonderful people eventually retire away from Antioch, but they sure keep in touch and, especially they keep in tune.

The old saying is, "In tune is never out of touch."

IT WAS SO nice to hear from Pat and Norm Thibedeau recently, and they had much news. They became grandparents for the second time. Heidi Ann Velta was born Nov. 26 to Pete and Deb Velta of Port Charlotte, Fla. The beautiful little lady will certainly brighten the holidays for all of them.

The Thibedeaus will be celebrating their 25th wedding anniversary on Feb. 27 and are planning a seven day cruise to celebrate the occasion.

They extend Season Greetings to all their Antioch friends.

IT'S GOING TO BE an especially happy Christmas for the Gaughan's of Channel Lake Shores. Michale Robert was born Dec. 12 at Lake Forest Hospital. He tipped the scales at 6 lb. 11 oz.

BIRTHDAY WISHES were the order of the day yesterday for Officer Ron Allen of the Antioch Police Dept. I hear he certainly celebrated - he's in Acapulco, Mexico.

HOW NICE TO HEAR from Bud and Mickey Neary at Christmastime. They're up in Rhinelander, Wis., you know ... and were kind enough to say:

"The Antioch News keeps us in touch with a lot of old friends."

HEAR TELL the annual Antioch mayor's dinner was its usual success.

Firemen Ray Gallaher and Dan Kasik did their customary job of roasting our village officials.

Did they really call the new fire department van "Trustee Amundsen's bakery wagon?"

SAW THIS MESSAGE on a young lady's T-Shirt the other day: "When God created man, she was only joking."

ONE OF THE DELIGHTFUL scenes of the Christmas season is right out in front of BJ's Fashions for Men and BJ's Sports Center.

Bill Patterson, president of the Chamber of Commerce, has decorated his downtown trees with lights ... and it's a lovely addition to Main Street.

WELL, WITHIN A VERY short time all of the hustling and bustling will come to an end. An end which is a beginning.

A time to reflect, a time to predict, a time to count our blessings for all that we have.

The things I enjoy the most about this time of year are the sincere expressions of "Happiness, Love, Joy and Best Wishes" which we hear repeatedly.

It would be nice if we could use these words more often all through the year, but I'm grateful we do have this opportunity.

WE, HERE AT THE Antioch News hope your holidays are full of Love, Joy, and Happiness and Best Wishes for 1979. From us to you, MERRY CHRISTMAS.

Decorate for a white Christmas

The whole family can stir up lots of holiday cheer this season, by decorating for Christmas in a new, exciting way that is easy on the family budget.

Among the decorations your family can create are: candle-ring wreath, candlesticks, snowflakes, tree ornaments, miniature house, church, wishing well and, in fact, even an entire Christmas white-capped village. All add a festive charm to your table or tree, and sparkle like snow because you make them with sugar!

All you need to make these inexpensive but dazzling decorations are some Domino® Sugar Dots and/or Tablets, a special frosting, and your imagination. The Dots and Tablets are readily available at your local supermarket. The frosting is simply a mixture of egg whites and Domino® Confectioners 10-X Powdered Sugar that holds the Dots and Tablets together like an edible "mortar."

Every member of your family can get involved in this project. While Mom and Dad mix up the "mortar" frosting, the kids can arrange the Dots and Tablets in the desired pattern.

To make frosting, just whip the egg whites until firm, and add powdered sugar, cream of tartar, and vanilla or almond extract. The frosting is easy to handle when applied with a squeezable plastic container, and dries solidly between layers of Dots and Tablets.

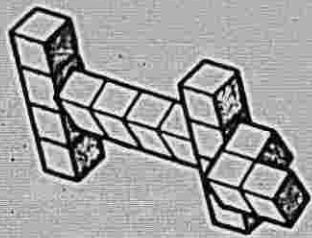

Color may be added with diluted food coloring sprayed through a window cleanser bottle, and granulated sugar dyed with food coloring may be sprinkled on the decorations as an attractive trim.

Here are some step-by-step instructions on how you can make sugar decorations for Christmas:

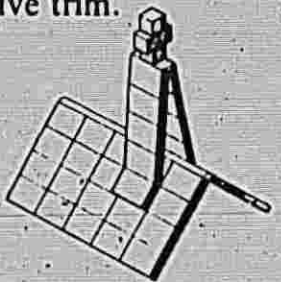

HOUSE/CHURCH/WELL

To construct a house, church or well, arrange the Dots and Tablets in a square

or rectangular pattern on a flat surface. Stack the Dots and Tablets directly on top of each other and spread with frosting. Leave spaces for doors and windows in the buildings, topping these off with small pieces of index cards. Construct two pillars on the well base to support the roof.

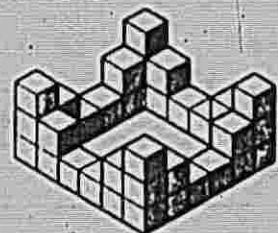

A roof may be constructed with a folded piece of cardboard covered with frosting and granulated sugar. Tablets may be added as shingles, and Dots and Tablets trim the windows and doors. Use your creativity to add steeples, chimneys and decorative trim.

CANDLE-RING WREATH
Build the wreath in a circular pattern as shown, connecting the Dots or Tablets in half-steps and securing with frosting.

CANDLESTICKS
Sugar candlesticks add an elegant touch to your Christmas table, and are especially attractive when surrounded by a ring of holly or other greens. Squares of Dots and Tablets stacked in alternating sizes form the candlesticks, and triangular "legs" may be added onto the base. A taper

candle fits easily into the center opening and is secured with frosting.

These are just a few dec-

orating ideas you can use during the holiday season. Gather up some Dots and Tablets and let your imagination take over. Ideas are limited only by your own creativity.

When you come up with an original idea using Dots and Tablets, send a photo of your creation to Box 387, Amstar Corporation, 1251 Avenue of the Americas, New York, NY 10020. Amstar will send you a free coupon toward your next purchase of Dots and Tablets.

May you share the wondrous tidings of this Holy Season.
Merry Christmas and sincerest thanks.

A Yule Log

Decorate a yule log this Christmas for your own fireplace or for gifts to friends. It's easy and fun to do.

Use an oak, cedar or eucalyptus log, split lengthwise. Melt paraffin wax in a double boiler and let it cool until it is pliable but not hot to the touch. Use holly leaves, berries, branches from evergreens and pine cones for decorations. The paraffin, placed to the center of the log will hold the decorations securely. The wax is consumed by the fire when (and if) the log is burned.

The group next meets Jan. 9.

A Festive Name

"Merry Christmas" in June? September? It is for a lovely young lady in Sacramento, California, whose name is truly Merry Cheree Christmas!

In answer to endless inquiries and as many jokes, this charming young woman never tires of explaining that her name really is Merry Christmas, and is spelled just that way. She is used to people thinking it's funny and the constant teasing, but enjoys the fun of it as much as others.

Miss Christmas, whose fame has spread all over the world, spends a considerable amount of time answering the many people who write her.

Asked about marriage proposals and changing her name, Miss Christmas responded "Well, I've seriously thought about marriage a couple of times, but I was raised the old-fashioned way and I guess I'm looking for an old-fashioned type of person who thinks like I do. I really like the traditional things — like Christmas."

Winter driving tips

Driving in snow, sleet and icy roads requires a drastic change in behind-the-wheel habits.

The Chicago Motor Club-AAA offers these winter driving tips that can prevent minor or major accidents:

- Drivers are advised to leave for their destinations earlier on cold and snowy days since traffic moves much slower under adverse conditions. Leaving earlier also permits adequate time to clean off all windows for full vision. Drivers should always carry ice scrapers and snow brushes.

- Become accustomed to driving at slower speeds. Steady, safe speeds should be maintained on snow packed and icy roads. Avoid sudden starts and stops.

Allow a greater distance when following. Be extra alert to traffic ahead. A vehicle ahead may stop just beyond an icy spot; the

extra distance you maintained could enable you to come to a safe stop.

- If your car starts to skid, turn your front wheels in the direction of the slide. The intent of this action is to keep the vehicle rolling straight ahead and not to allow it to slip sideways into a spin.

- Don't oversteer. Sudden sharp twists of the steering wheel can result in a skid on slippery roads.

- Don't overbrake. Apply brakes sooner in ice or snow, but more gently and with a pumping rhythm. If the wheels lock during braking, release the brake pedal for an instant, then apply gradual, light pressure.

- When the temperature hovers around 32 degrees, exercise special caution. Braking distances on ice are twice as great at freezing temperatures than at zero degrees.

More than 100 languages are spoken by over a million people each.

Need for blood donors

St. Therese Hospital, Waukegan, is in urgent need of all types of blood. If you are in good health, between the ages of 17 and 65 inclusive, weigh at least 110 pounds, and it's been 8 weeks since your last donation, then please call the blood bank at 688-2707 to make an appointment.

The "Season for Giving" never ends for blood banks. It is through the generosity

of many good citizens that the blood bank is able to supply the needed blood.

The need for blood keeps increasing and the only way this need can be met is through an equally increasing number of active volunteer blood donors. Call 688-2727 and make a date to give a gift of life.

St. Therese is located at 2615 W. Washington Street, Waukegan.

Happenings

THE ANTIOCH High School Student Council is making plans to distribute food baskets to needy families as a Christmas Project.

Student Council members collected money from the student body on Friday, Dec. 15, and will purchase food from local grocery retailers.

The baskets, which will consist of a variety of various household food items, will be distributed

on the weekend preceding Christmas.

The council will also sponsor a Christmas Assembly on Thursday. The assembly will feature the high school band, choir, a performance by the faculty band and, of course, the traditional visit by Santa.

A 1776 Christmas

The colonists served Christmas dinner in mid-afternoon, and they went to great lengths in preparation for the feast. For example, the Washingtons' Christmas dinner one year included roast beef and Yorkshire pudding, mutton chops, roast suckling pig, roast turkey with chestnut stuffing, cold boiled beef with horseradish sauce and cold baked Virginia ham.

In the South, gentlemen drank hot toddies, brandishing toasts to the coming year. In the rest of the colonies, wine, punch and brandy were served with Christmas meals. Two drinks were particularly in favor at the time: syllabub (available in many flavors and served with lemon juice and a bit of rind) and flip (a mixture of beer, sugar and Jamaica rum, warmed by a loggerhead that had been heated in the fire until red hot).

Christmas is here:
Winds whistle shrill,
Icy and chill.
Little care we;
Little we fear
Weather without,
Sheltered about
The Mahogany Tree.

unique holiday decorations

Outdoor Christmas decorations need not be limited to a string of lights. Interesting holiday decorations can be made from such diverse materials as plastic spoons and tin cans, for instance.

Interesting metal sculpture can begin with the humble tin or aluminum can. Using metal cutters, carefully cut and/or twist strips of tin from any-size empty can and fashion the pieces into stars and snowflakes. The bottom of the can may serve as the center of a snowflake or sun design with strips from the can radiating around it. (The strips should not be detached from the base.) Spray paint the metal sculpture, mount it on a wall or hang it from an outside tree. Take care at all times not to injure yourself on sharp edges of the cut metal.

Colorful plastic spoons can be arranged in rosettes and hung on outdoor trees, too. Arrange five plastic spoons to form an alternating star pattern of a handle and a bowl. The spoons should all cross at about the same point about 2/3rds of the way down the handle. Drill a hole at the point where they meet and secure the handles with a nut and a bolt. Drill another very small hole in the handle of one of the spoons and insert a wire through it. Hang the spoon stars or rosettes on an outdoor tree, where they will reflect the light from your outdoor Christmas lights.

Basketball contest winner is John Tegelman

Well, no one guessed that North Chicago's talented basketball team would beat Antioch by nine points last Saturday.

However, John Tegelman did predict an 11-point victory for North Chicago and — consequently — he won the \$15 first prize in the weekly Antioch News basketball contest.

John will receive a \$15 gift certificate from Stanley's Men's Fashions in the Antioch Shopping Plaza.

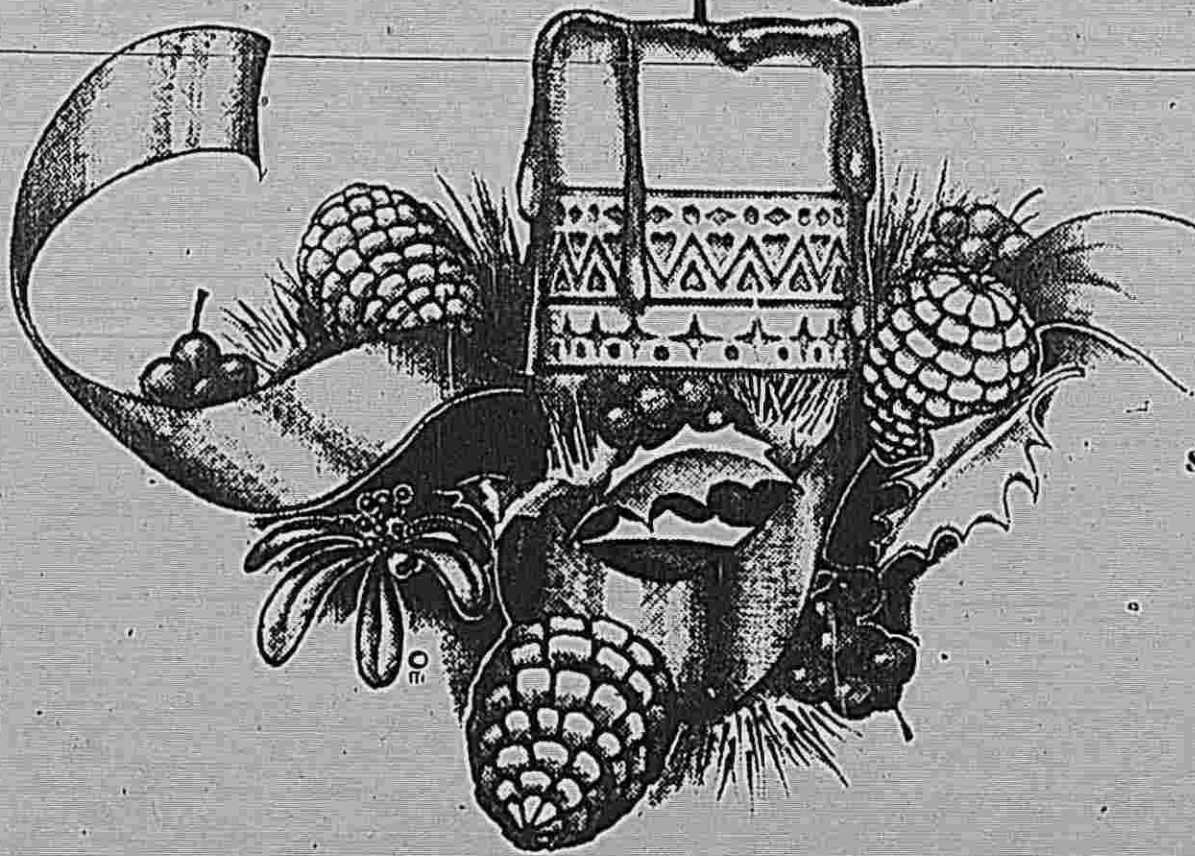

THE SECOND PRIZE goes to Tony Besson of 419 Harden St., who picked North Chicago to win by 12. Tony will receive a \$10 gift certificate from A&B Printing.

There was a tie for third place, John Furlan and Ray Traves each predicting a 15-point win for North Chicago. John came closest in the tie-breaker, the Round Lake Game, so he will receive a \$5 gift certificate from Andre's Steak House.

THIS WEEK'S CONTEST, on page 23, is an interesting challenge. The "game of the week" is Antioch's duel next Wednesday against Guilford in the Rockford Classic.

Be sure to see the story on page 21 to find out which 16 teams are involved in the tie-breaker. The deadline for entries is next Tuesday, Dec. 26.

FIRE SAFETY TIPS FROM SNUFFY®

Hints For The Holidays

Kids are big enough for fire safety and make reliable home "fire bosses" that are especially important during Christmas time.

Wrapping paper, roaring fires and Christmas decorations are all potential "hot spots" (fire hazards) that frequently go unchecked during the busy and high-spirited holiday season. Putting elementary school-age children in charge of these sources of possible fire dangers can safeguard your home and family.

The fireplace can be a particularly dangerous source of fire accidents. "Every year tragic incidents are caused by people attempting to start a fire in the fireplace with flammable liquids," says John Barracato, Deputy Fire Marshal of New York City

and spokesman for the Burger King Fire Safety Program. "Flammable liquids can never be used safely for that purpose."

The most important thing to remember about the fireplace is to keep a metal screen in front of it to block flying embers and to be sure no flammable materials or decorations hang down from the mantel within easy reach of the flying sparks.

Electric Christmas decorations should be kept to a minimum to avoid overloading circuits. Christmas lights should be in good condition—no worn or frayed wires or loose sockets, and should bear the UL (Underwriters' Laboratories) label which means they have been checked for fire hazards.

A Safe Christmas is a Merry Christmas!

Apache girls win again

The 7th grade girls basketball team of the Upper Grade School has learned what winning is all about. After two season opening losses, the girls have stormed to six straight victories.

Defense has been the name of the game for the Apache girls. In the six

game streak, they have given up an average of only ten points per game while scoring an average of slightly over 20 points per game.

The defense has been spearheaded by the quickness of Kelly Propeck and Jill Davis who have shown the ability to keep their opponents away from the hoop. When the opposition has worked its way to the net, the trio of Kirstin Cunningham, Gail Bernet, and Beth Garland have done an excellent job of rebounding, giving the opposition little opportunity to pick up short shots from underneath the bucket.

On the offensive end of the court, Cunningham & Propeck have provided a powerful one-two punch for the Apaches - Propeck on the fast break and Cunningham with excellent offensive rebounding. Bernet and Garland have also averaged about 4 points each per game.

From the bench, Barb Jarr has shown excellent rebounding ability and Tammy Lair has provided excellent defense.

"The entire bench has improved remarkably since the onset of the season and this is the biggest factor in the winning streak," said Coach Bob Lipinski.

Other members of the squad are Dee Dee Palmer, Jo Anne Glassman, Courtney Sutton, Renee Eves, Melissa Garland and Kelly Daily.

The next game for the Apache girls is Jan. 3 at Lake Villa.

Men's Basketball

The Antioch Men's Basketball League results from games played last Thursday were:

In the first game Limerick 54, Maestrazi Bros. 47. Mike Perrone had 21 points and Steve Bentel 16. Dick Grant had 14 points and Chris Boarini 11 for Maestrazi.

In the second game BJ's defeated the Wharf on John Eper's last second shot. Tim Huebner had 17 points and Eder 10 for BJ's. Tom Huebner had 15 and Steve Pilcher 11 for the Wharf.

The last game saw Century 21 defeat the State Bank. Mike Fulford had 18 points, Jim Shore 14 and Rich Dvorak 12 for Century 21. Jeff Dresser had 24 and Jim Weiss 10 for the State Bank.

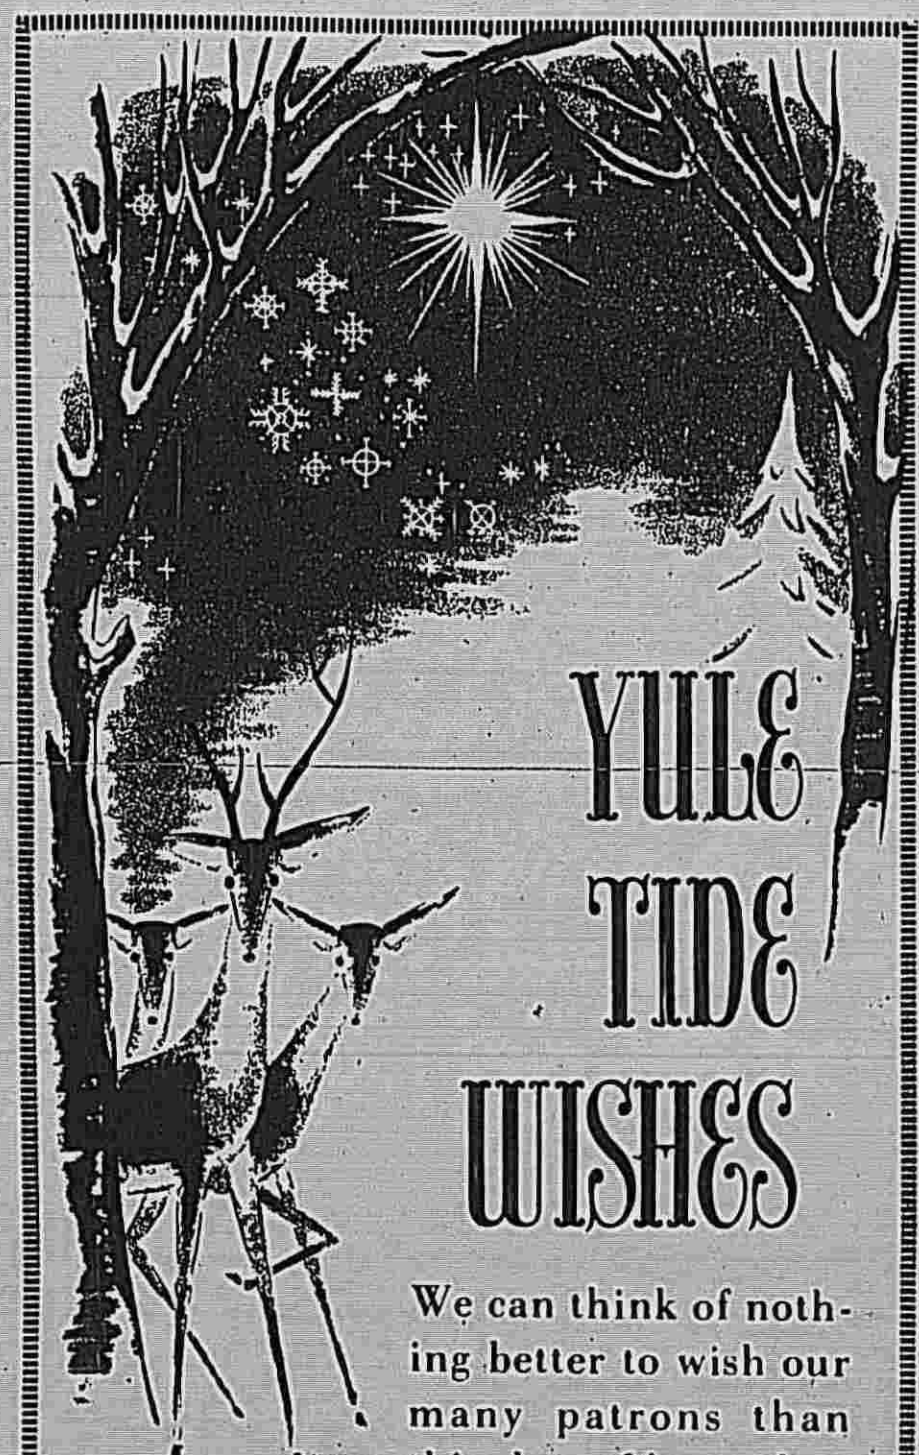

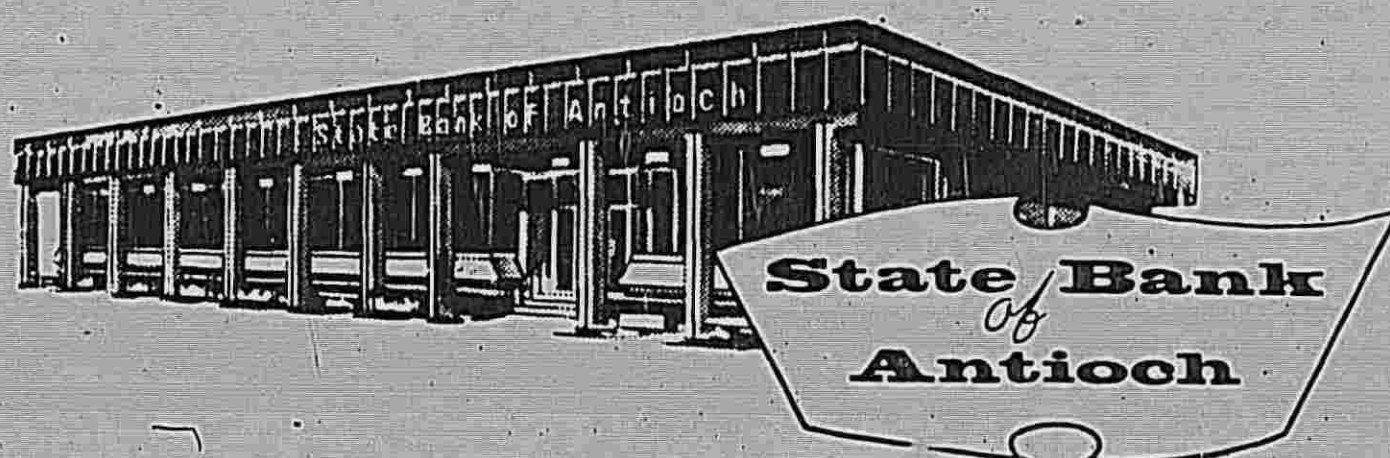

No games Dec. 21. Play resumes Dec. 28.

Antioch sophs beat 2 rivals

The Antioch sophomore basketball team emerged from a busy weekend with two wins and one defeat.

On Friday evening the Sequoits downed Round Lake 46-37 to stay on top of the conference standings with a record of 3-0.

Antioch led by four points at halftime and by only three points at the three-quarter mark.

The Antioch zone defense then held Round Lake to only two baskets in the final stanza to secure the victory.

Dee Maras led Antioch scoring with 16 points. John Ploss chipped in 12 points and grabbed 10 rebounds.

THE SEQUOITS OPENED play Saturday morning in the Zion-Benton invitational tournament, losing to Waukegan West, 41-37.

The Sequoits struggled from a 25-20 halftime deficit to trail by only one point with 14 seconds remaining in the game.

A Waukegan free throw upped the margin to two points and a last-second shot by Antioch fell short of the mark.

After an intentional foul call, Waukegan sank two meaningless free throws with no time remaining on the clock.

The tired Sequoits were not to be denied on Saturday night. Playing what was probably their best game of the year, they roared back to roll over a tough North Chicago squad 45-34.

Both teams were playing their second game of the day and were obviously weary. Both teams shot poorly in the first half and North Chicago emerged with a 17-13 halftime edge.

IN THE THIRD QUARTER Maras scored six points and Tim Koesser four points to bring the Sequoits back into a 25-25 tie heading into the final quarter.

Antioch blitzed the Warhawks 20-9 in the fourth quarter to nail down an impressive victory.

Koesser led the Antioch scoring charge with 13 points, all of them in the second half. Maras and Ploss combined

to give Antioch the edge in the rebounding department, and each also contributed nine points.

After the win, Coach Don Zeman had praise for a few other people as well.

"John Eckert scored five very important first-half points when we had trouble scoring. The passing and ball control of Pete Weber and Gary Volling was excellent against a very quick North Chicago defense," Zeman said.

Antioch's overall record is now five wins and three losses.

Frosh win two

Antioch's freshmen basketball team broke a three game losing streak with two big wins over Round Lake and Wauconda. The scores were 64 to 29 and 62 to 32 respectively.

In both games the young Sequoits pressed their opponents into numerous mistakes that led to easy rebounding.

Gordy Nasenbeny led the scoring and rebounding in both games. Against Round Lake Gordy hit 8 of 11 shots

on the way to 21 points and gathered in 9 rebounds. Steve Sheedlo chipped in 13 points and was credited with four assists. As a team Antioch outrebounded the Panthers 45 to 22.

AGAINST WAUCONDA, Nasenbeny hit for 19 points and scored 12 rebounds. Bob Gatti backed him up with 18 points and Keith Larsen also grabbed 12 boards. Sheedlo and Nasenbeny each had five assists.

Antioch's B team also won two games to run its record to 4-1 overall. Dennis Cardiff scored 10 and Scott Poulter 9 points to lead 12 players in scoring a 53-31 win at Round Lake. Twelve players also scored in a 55-16 rout of Wauconda. Cardiff and Allan Ware each had eight points to lead the scoring.

Antioch is hosting its fourth annual eight-team tournament today, tomorrow and Friday. Four games each night are scheduled in pairs at 6 p.m. and 7:30 p.m.

Apache wrestlers

On Saturday, Dec. 9, six Upper Grade School wrestlers traveled to Lewis University in Lockport, Ill., to participate in the Peter Claver tourney. Antioch Upper Grade placed fourth in tourney points behind last years Illinois Kid wrestling champions Plainfield, Troy (Joliet), and the ever strong New Lenox team.

Approximately 45 teams had entries in the tournament, with about 650 boys under age 14 participating.

The six Apache wrestlers did a fine job of wrestling," said coach Ken Anderson. Every boy won at least one match. Andy Lehn, 125 lb.; George Besette, 135 lb.; Bill Carney, 155 lb. all placed first.

Tibor Jung, 145 lb. placed fourth. Steven Case, 95 lb. and Tad DeRousse, 90 lb. did not place, but made strong bids for victory in their respective matches.

SATURDAY, DEC. 16 saw the Apache wrestlers travel to DeKalb for the J. Barb novice tourney. Twenty boys wrestled in the meet, with nine boys placing.

Bob Tarsitano, Dave Lear and Matt McGrain were consolation champions. Jim Weber placed fourth. John Weldin placed second. Ken Sandrick, third. Bob McKee fourth, Jeff Gibson third, Bill Carmain fourth, Darrell Butler second and Tim Prining third.

The Apaches will wrestle again today at 4 p.m. against Woodstock at the Upper Grade School.

Sequoits play next in Rockford Classic

Continued from page 1

"The Nauman brothers (Rob and Ron) looked good in reserve roles," the coach said. "The entire team was able to play in the game and several reserves looked good for the Sequoits."

The Sequoits swished a fine 44 percent of their 82 field goal attempts, Ploss hitting on 11 of 19, Gallagher on 7 of 12, and Korjenek on 6 of 12.

COACH ANDREWS SAID his Sequoits "played an exceptional game" against North Chicago Saturday night, even though losing 66-57.

"Our team showed a lot of spirit and some fine balance as Roger Korjenek hit 16 points, Scott Gallagher and Dave Gutowski 12 each, and Pete Ploss 10," Andrews said.

The Sequoits rallied in the fourth quarter and trailed by only 61-57 with 42 seconds left, but their visitors cashed in on three free throws, plus a basket at the buzzer.

"It was an excellent game, well-played

by both teams," Andrews said. "It proved the way our team can fight back from an 11-point deficit. The players showed good poise and hustle. They have made great improvement in the last two weeks."

NEXT WEDNESDAY, at 8:30 p.m., the Sequoits play Rockford Guilford in the annual Rockford Christmas Classic. It is a highly-regarded 16-team tournament.

DEFENDING CHAMPION Auburn and powerful Buffalo Grove have been top-seeded for the 16th annual Rockford Classic.

The 16-team, four-day, double-elimination tournament (hosted jointly by Auburn, Boylan, Guilford and Harlem high schools) is scheduled at Boylan High School next week, Tuesday through Friday, Dec. 26-29.

Auburn, one of three teams unbeaten at the time the pairings were made by the athletic directors of the four schools which sponsor the tourney, will open its title defense against Hillcrest in the final game of opening day.

The Knights have four starters back from the team which rallied to beat Dixon in the title game a year ago.

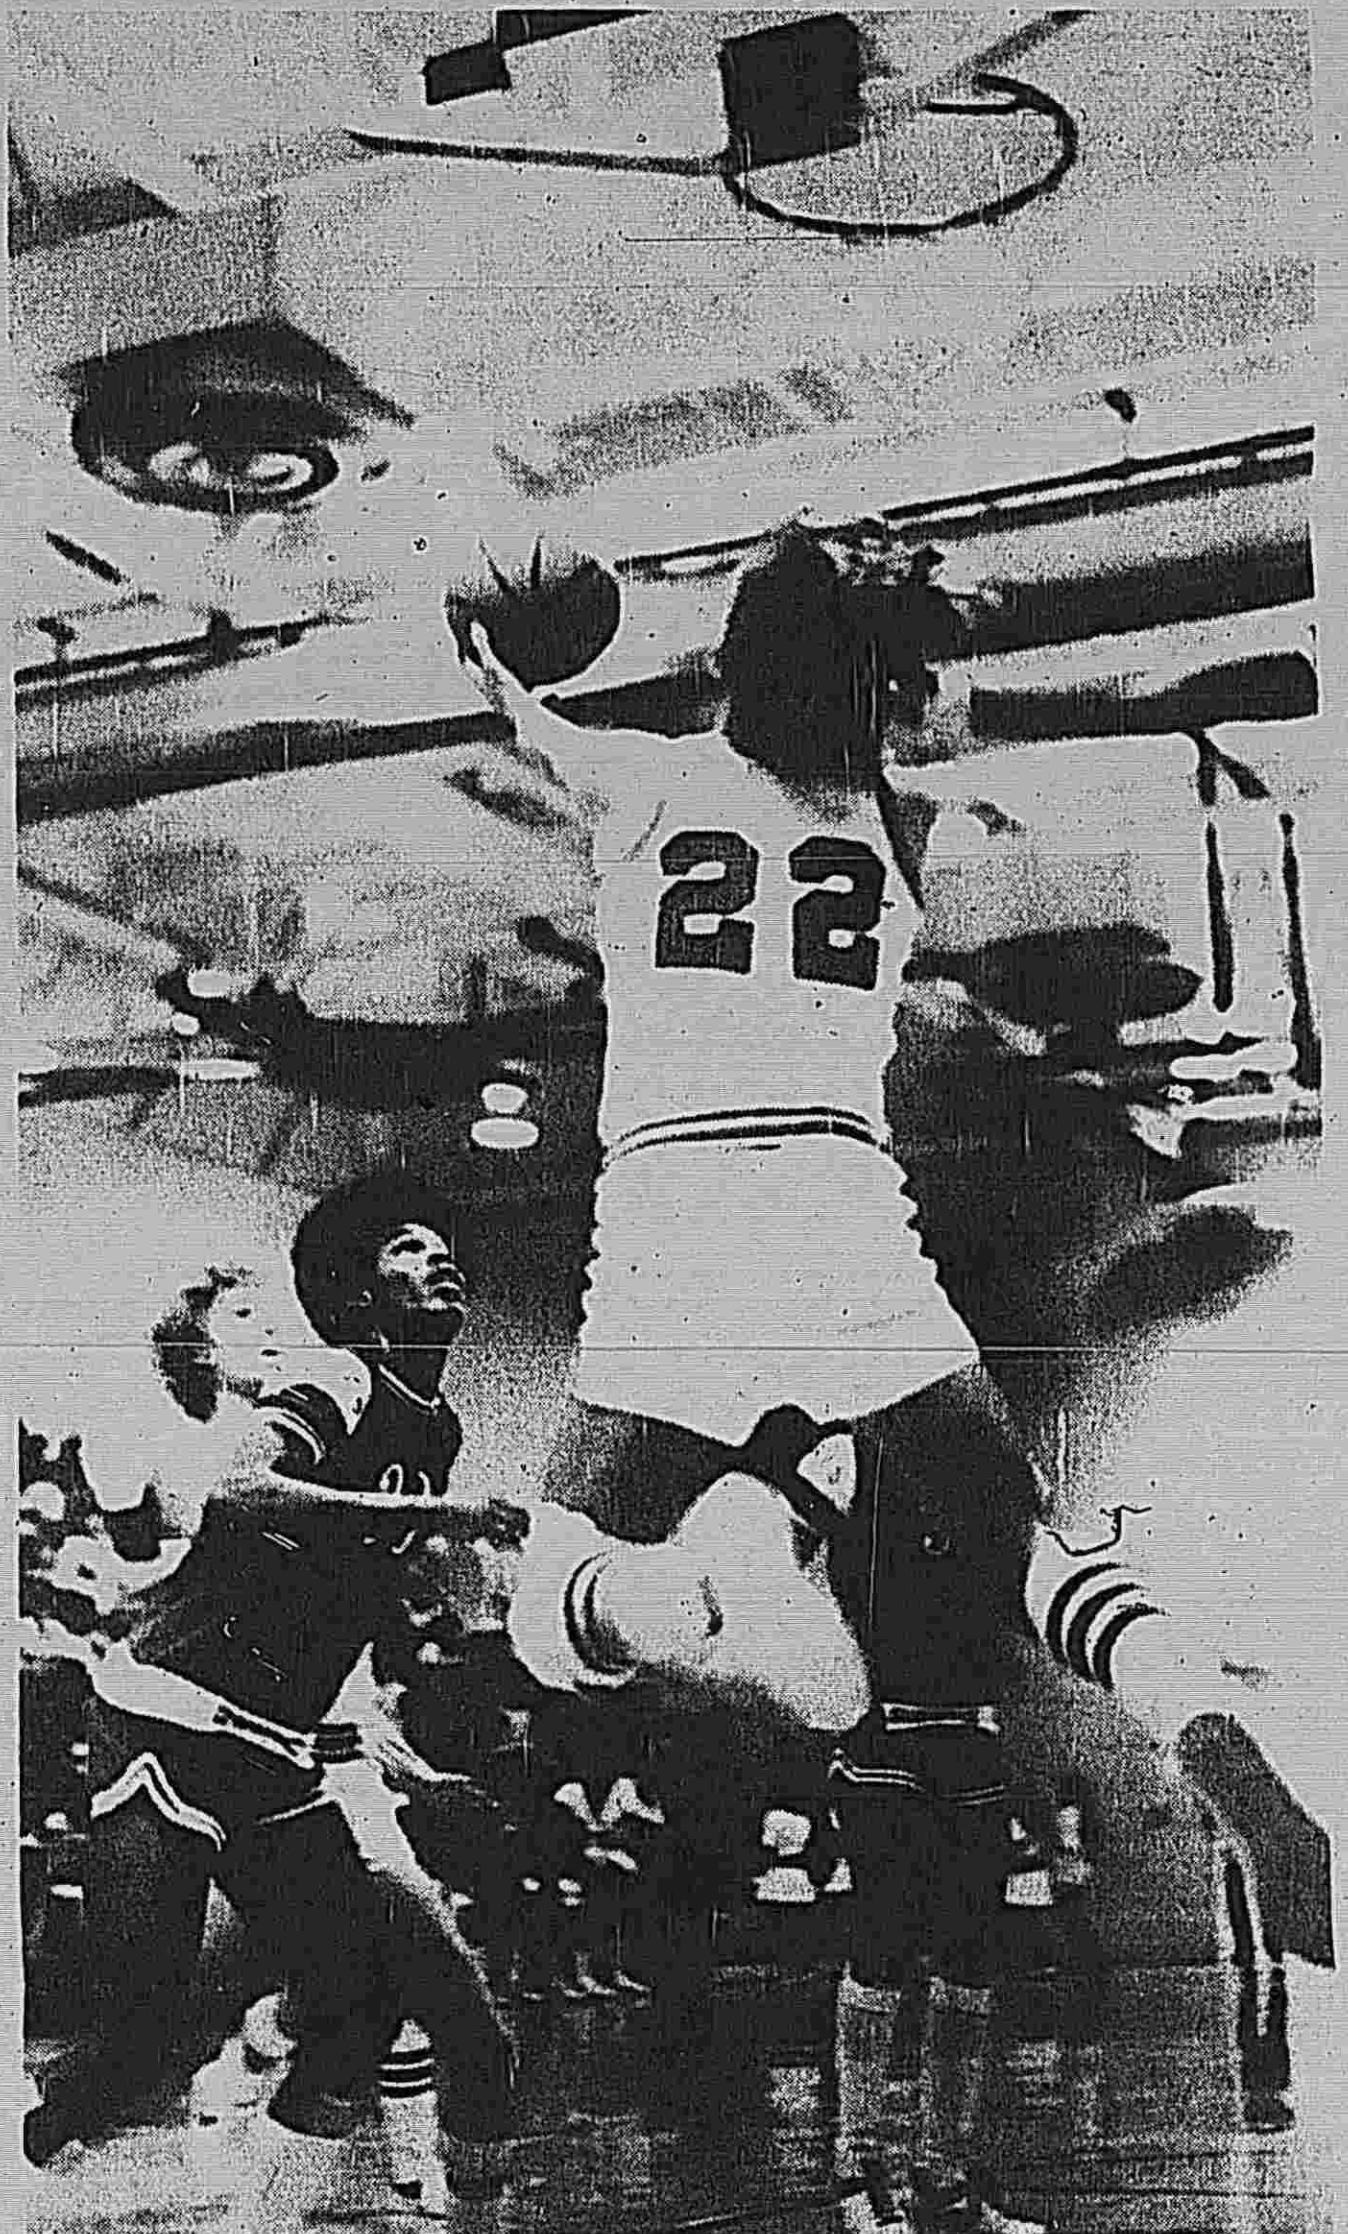

Buffalo Grove, whose 2-2 record is misleading because the Bison had several regular starters playing in the Class 5A football championship game when they played their first three games, will open against Chicago Mendel in the 2 p.m. game on Wednesday, Dec. 27. The Bisons are led by 6-foot-9 veteran Chris Mole-nauer and 6-5 Chuck Carkoff.

Among the other highly-regarded teams entered in the tourney are Chicago St. Rita (4-0), Chicago Fenger (4-0), Guilford (2-2) and Waukegan West (3-2).

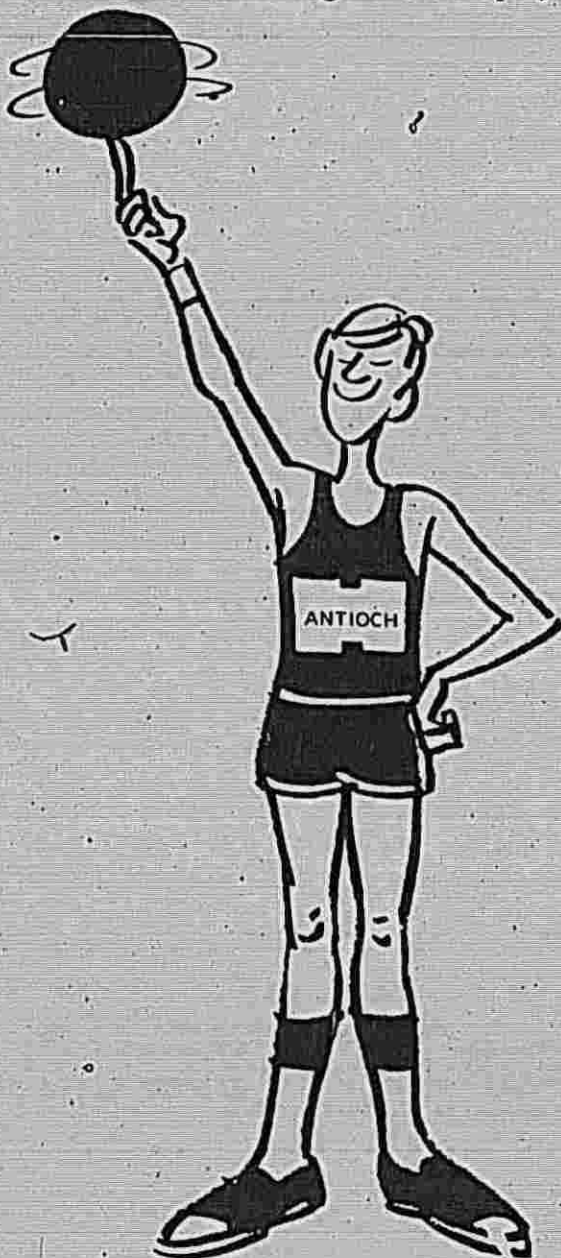

The tourney will open with St. Rita facing Belvidere at 2 p.m. on Tuesday, Dec. 26. Other games on opening day will match Glenbard East against Dixon, Boylan against Waukegan West and Auburn against Hillcrest.

THE WEDNESDAY CARD of games features first-round battles matching Buffalo Grove against Chicago Mendel, Chicago Fenger against Jefferson, Harlem against Niles East, and Guilford against Antioch.

The tourney finals are scheduled Friday night, Dec. 29.

DAVE GUTOWSKI IS ONE OF Antioch High School's best playmakers. He led the Sequoits in assists Friday, with 11, as they beat Round Lake. But the aggressive player also can score, as he does here from under the basket in Saturday's game against North Chicago. (Andy Dugenske photo.)

He is a 1976 graduate of Antioch High School and a freshman business administration major.

Illinois College in Jacksonville is a private, liberal arts college founded in 1829.

Frosh matmen lose to 2 tough foes

The Antioch freshmen wrestling team was upset by two strong schools last weekend.

Against Round Lake it went back and forth from the 90 lb. weight class through the 126 lb. class. There were many close matches which Antioch lost in the last few seconds.

Winning efforts were by Bob Thain (2-1), John Wohlfeil (pin), Pete Kessler (7-2) and Butch Kirkegaard (pin).

The final score was 36-24, Round Lake.

Against the Wildcats of Libertyville the Sequoits came out with momentum, winning the first five weight classes.

Frank Hejselmann won by fall, Bob Thain by a superior decision (12-0), Mike Burda had a forfeit, John Wohlfeil won by fall

and Pete Kessler won a back-and-forth battle with an 11-10 decision.

The Wildcats came back and won the next five weights.

At 167 lbs., Butch Kirkegaard whipped his opponent (21-4).

A loss at 185 and heavy-weight left the freshmen of Antioch behind at the end of the meet 31-41.

Girls basketball team wins for high school

The Antioch High School girls varsity basketball team began its season with a 30-18 victory over Lake Forest.

The first half of the game, played at Antioch, was ragged with neither team gaining the advantage.

In the second half Antioch used its quickness to advantage and turned numerous steals into baskets.

Top scorers for the game were sophomores Chris Byrne and Kathy Bailey with 11 and 8 points respectively.

Kathy Oddsen and Kathy Bailey contributed 12 rebounds against the Scouts.

The varsity will play in the North Chicago tournament. The first game will be against Rich East at 12:30 p.m. on Wednesday, Dec. 27.

In his racing career, Man o' War won 20 out of 21 starts and broke five track records.

WHEN ELROY "CRAZY LEGS" Hirsch was a famous football player, his nickname was "40," because that was the number he wore. Roger Korjenek just might earn that nickname if he keeps pumping in baskets for Antioch High School. Here, he hits a jumper for two points against North Chicago Saturday. Roger scored 16 points in this game and 12 the previous night in the win over Round Lake. (Andy Dugenske photo.)

Buffet makes party easier

Having family and friends over for a tree-trimming party? Or for a caroling supper? Why not plan a meal that can be prepared in advance and served as a buffet, so you can enjoy yourself as much as your guests?

One good choice would be quiche (cheese, Lorraine, spinach or any of the many other varieties so popular nowadays). If you opt to make your crust from scratch, you can do it up to one month in advance and freeze it for later use; otherwise, a store-bought crust provides a viable and time-saving alternative.

One novel dish which is perfectly suited to a buffet is "Pissaladiere," a French variation on pizza: pie crust filled with a scrumptious mixture of tomatoes, olives and herbs.

Lasagna is always a good choice, as is moussaka, a Greek casserole of cheese, meat, eggplant and potatoes. Both are appetizing, filling and perfectly suited to advance preparation and help yourself style serving.

**TO OUR MANY FRIENDS**

Here's an old-fashioned wish that is still right for today: may the holiday season extend to you and your family every joy and blessing that is possible. We wish to thank you all for your patronage throughout the year...we look forward to serving you again in the future with pleasure. Have a very merry Christmas and a wonderful year to come!

HISTORY OF CHRISTMAS GIFTS

Christmas gift-giving grew out of both pagan and Christian traditions.

The Christian practice of giving presents to friends and relatives follows the example of the Magi, "three wise men from the East" mentioned in the New Testament (Matthew 2:1-12) who traveled to Bethlehem to present gold, frankincense and myrrh to the Christ child 12 days after his birth.

Another tradition credits the ancient Romans, who exchanged presents during their midwinter Saturnalia festival from December 17 to 24 in honor of the birth of the sun.

It was not until 353 A.D., when Pope Julius I set December 25 as Christ's probable birth date, that the feast of the Nativity was first observed in Rome. Before that time, many Christians felt gift-giving was a heathen custom.

By the Middle Ages, however, the practice was firmly established. Tradesmen honored their patrons, while servants temporarily enjoyed some of the good things of life with their masters. In Russia peasants received gifts while they sang outside the houses of lords.

Puritan New Englanders outlawed such festivities when they came to the New World, but the Dutch colon-

ists of New Amsterdam continued their Old World celebrations, as did the Southern planters, who observed Christmas with feasting, singing and dancing.

DURABLE GIFTS, like traditions, last and last and last.

Today, there's a trend to practical presents, and now that we've become a country full of competent amateur home-fixers and improvers, hand tools have earned a prominent place under the tree and as stocking stuffers. A Boker pocket, whittling or utility knife will brighten the eyes of any man, junior or senior. Gleaming Wiss scissors will gladden the homemaker and fabric crafter, and a Weller Mini-Shop for carving, sanding, drilling and more is like giving a one-tool complete crafts workshop.

Whatever your tradition and choice, the Christmas spirit of loving thoughtfulness is expressed in every gift.

A Slavic Christmas

Celebrating the Christmas season in the Byzantine Catholic Church is a family celebration. The heritage goes back to the Slavic countries of Europe.

Dec. 6, St. Nicholas feast day, marked the start of the season. Good children received gifts from St. Nick.

On Christmas Eve a Holy Supper was prepared and served to the family in the evening before they attended Midnight Mass. The type of food served

differed from village to village.

The table is covered with a white tablecloth in memory of the swaddling clothes of Christ. Straw is placed under the cloth to remind us where Christ lay in a manger. A large loaf of bread with a candle in the middle was served to remind us Christ is the bread of life and the light of the world.

Bread and honey or a Christmas wafer is shared by all present at the start of the supper.

The meal is followed by singing Christmas carols around the tree.

Between Christmas Day and the Feast of the Three Kings on Jan. 6, is a social time for renewing friendships and singing carols.

In Slavic countries men would carry a star and go caroling from house to house. The season ends on Jan. 6 with the blessing of water signifying Christ's baptism in the Jordan waters.

To Display Cards

To hang cards from wall to ceiling without marring—tack a piece of cellophane tape (sticky side out) to the molding and baseboard. Just press the back of each card, as you receive them, to the tape. To keep the front pages of book-fashion cards in place, slant the top of the card a little.
